6. Legal basis of personal data processing

6.1. ExPi Trade (Bertes Invest OU) is Estonian registered company. Bertes Invest OU operates under license, issued by Estonian Financial Intelligence Unit and acts by under Estonian Money Laundering and Terrorist Financing Prevention Act, which is based on Directive (EU) 2015/849 of the European Parliament and of the Council on the prevention of the use of the financial system for the purposes of money laundering or terrorist financing. To provide our Services to User, Expi.trade obliged by the law to collect and process your personal data.

- 6.1.1. Expi.trade collects personal data from Users, who agreed to use Expi.trade services. If User agrees to use Expi.trade services, he agrees with Expi.trade terms of use and privacy policy and voluntarily agrees to provide his personal data. Services are based on agreement between User and Expi.trade, which is described in Expi.trade terms of use. Your personal data collection is necessary for the performance of the agreement between User and Expi.trade.
- 6.1.2. Users can always refuse to supply personal identification information, except that it may prevent them from engaging in ExPi Trade services.
- 6.2. Users may, however, visit Expi.trade homepage anonymously. In this case Site visitor's information data will be collected together with cookies (IP address, browser name, the type of computer, operating system other similar information) for purposes, mentioned in clause 5.2.2. and 5.2.5. Data will be collected if User has given his / her consent. Cookie policy is available also on the Site.
- 6.2.1. User can set browser not to accept cookies, and the above website tells you how to remove cookies from your browser. However, in a few cases, some of Site features may not function as a result.

7. Personal data transfer to third parties and third countries.

- 7.1. In the processing of personal data Expi.trade respects User's confidentiality and do not transfer personal data to third parties, except for:
 - 7.1.1. During business relationship with User, transfer User's personal data to third parties, is necessary to provide Services
 - 7.1.1.1. With payment processing, acquiring and card issuing partners – financial institutions; Expi.trade may share and transfer your Personal Information to the third-party service providers for the purpose of rendering the order, which will be made to our Partners website via the use of your payment card. The Personal Information will be shared with the third-party service provider after you execute such payments by using the services of the third-party service provider. We do not share this information with side parties except to the extent necessary to provide the service. Personal Information shall include information that identifies you, including the information submitted by you during the registration on Expi.trade, such as your E-mail address, full name, password, country and city and/or information provided through social websites or any other identifying information provided by you while using the services of Expi.trade.
 - 7.1.1.2. With banks or other financial institutions (e.g when disputing claims or chargebacks, investigations)
 - 7.1.1.3. In case the transfer of User's personal data is stipulated by laws and regulations (e.g. possible inquiries from regulatory officials);
 - 7.1.2. Expi.trade uses cookies of third parties, such as Google, to make advertisements and optimise marketing communication. Third party advertisers use the cookies stored on the device of the homepage visitor to assess the efficiency of the advertisement and personalise the content of advertisements displayed to the website visitor. Information collected by third party advertisers may include data such as geographical location data (derived from the IP address). With cookies, Expi.trade collects data on how Users use Site to see what services are

important to Users. This helps us to improve our services as well as to offer Users relevant information on social media, mobile apps and other websites. Cookie settings can be changed. You can set your browser not to accept cookies, and the above website tells you how to remove cookies from your browser. However, in a few cases, some of our website features may not function as a result. Cookie policy is available also on the Site, User may choose regarding giving his / her consent before cookies or similar technologies processing.

- 7.2. Expi.trade is processing its Users personal data within EU / EEA. However, in certain situations personal data might be processed to third countries. Expi.trade will cooperate with partner or authority from third country, only if legal basis of processing is determined (e.g. regulatory requirement, for entering of performance of contract or in accordance with User's consent) and only with proper security measures. Expi.trade will differentiate between secure and unsecure third countries. Secure third countries are those for which the European Commission has confirmed a suitable level of data protection based on an adequacy decision. In those countries, national laws provide a level of protection for personal data which is comparable to those of EU law. In case data recipient is from unsecure third country Expi.trade ensures in another way that the personal data will be sufficiently protected by the recipient. This will be ensured through standard contractual clauses, through the commitment to comply with codes of conduct which have been declared by the European Commission as being generally applicable, or by certification of the data processing procedure. At the request, User have the right to receive more detailed information regarding the Personal Data transfer to third countries.
- 7.3. Expi.trade may transfer any Information provided by User through use of the Expi.trade services to the Third Party Service Provider in order to allow the Third Party Service Provider to perform analysis of this information for the purpose of determining if User are qualified to use the services of such Third Party Service Provider (including the history of User's transactions on the website which will be provided without any identifying information and solely for the purpose of performing the preliminary examinations). All Third Party Service Providers are monitored for PCI DSS compliance on annual basis by Expi.trade.

8. Rights of Users

8.1 Users have rights to obtain information regarding their personal data processing by submitting written request to Expi.trade:

- 8.1.1. Sending information request in your Expi.trade user account.
- 8.1.2. Sending information request by email info@expi.trade . By sending information request by e-mail Expi.trade may ask User to provide additional documents for data subject identification.
- 8.1.3. If there is a request from User about his data processing, Expi.trade will answer on this request within 1 month from date of receipt. If Expi.trade unable to provide the answer according User's request within one month, Expi.trade may extend the period of providing answer within two months, previously (within one month from request) informing the User about the reasons of such delay. If Expi.trade will not provide the answer to User, Expi.trade informs User within one month from the moment of request receipt of the reasons of not providing the answer, in this case User may lodge a complaint to Supervisory authority.

8.1.4. User's request is considered free of charge. If Expi.trade notices, that User's requests submitted repeatedly and are unreasonable or excessive, Expi.trade may charge reasonable fee, previously informing User.

8.2 User have following rights regarding processing it's personal data:

8.2.2. To receive information about processing User's personal data - categories of personal data concerned, purposes of processing, recipients or categories of recipient to whom the personal data have been or will be disclosed, information sources of data, which was not collected directly from the User, information about appropriate safeguards if User's personal data are transferred to a third country or to an international organization.

8.2.3. To request from the Expi.trade rectification or erasure of personal data or restriction of processing and to object to processing as well as the right to data portability;

8.2.3.1. If User believes that his personal data in Expi.trade profile is incomplete or inaccurate, User have right to rectification, User may write an e-mail to Expi.trade support (info@expi.trade), Expi.trade support will take in consideration User's newly provided data and compare them to User's documents. In some cases Expi.trade support may ask for additional documents to verify User's newly provided data.

8.2.3.2. User have right to obtain from Expi.trade the erasure of personal data if the personal data are no longer necessary in relation to the purposes for which they were collected or processed, and the mandatory data storage period is passed or if the User had withdrawn his consent on which the processing is based, unless Expi.trade has another purpose and legal basis for the processing.

8.2.3.3. User have the right to obtain from the Expi.trade restriction of his data processing if the accuracy of the personal data is contested by User after User is verified by Expi.trade, User shall make actions, specified in 8.2.3.1. User have the right to obtain from the Expi.trade restriction of his data processing if Expi.trade no longer needs the personal data for the purposes of the processing, but they are required by User for the establishment, exercise or defence of legal claims.

8.2.3.4. In case of User's personal data rectification, erasure or restriction of processing, Expi.trade will communicate to each recipient to whom the personal data have been disclosed, unless this proves impossible or involves disproportionate effort. Expi.trade will inform the User about those recipients if the User requests it.

8.2.3.5. User have right to obtain his personal data from Expi.trade which he or she has provided to a Expi.trade, in a structured, commonly used and machine-readable format and have the right to transmit those data to another controller without hindrance from the Expi.trade. The right can be executed regarding personal data providing directly from the User and regarding personal data processed by automated means.

8.2.3.6. User have right to object of the personal data processing, when processing is necessary for the purposes of the legitimate interests pursued by Expi.trade. User will not be able to exercise this right if User gave consent to the processing of Personal Data, or Expi.trade requires processing of User's Personal Data for establishment and fulfilment contractual obligations with User.

8.2.4. Automated individual decision-making (including profiling) is not envisaged by Expi.trade. If Expi.trade will implement automated individual decision-making (including profiling), this data protection policy will be updated, and User will be informed about the update.

8.3 Rights of Users shall not apply to the collection and processing of information, which was obtained for fulfilment of requirements of laws (e.g. obtaining of information about User from public sources is envisaged according anti money laundering laws and regulations).

9. Notifications in case of personal data breaches.

9.1. When the personal data breach is likely to result in a high risk to the rights and freedoms of Users, the Expi.trade shall communicate the personal data breach to the User without undue delay.

9.1.1. User may not be informed about data breach if:

9.1.1.1 Expi.trade has implemented appropriate technical and organizational protection measures, and those measures were applied to the personal data affected by the personal data breach, those that render the personal data unintelligible to any person who is not authorised to access it, e.g. encryption.

9.1.1.2 Expi.trade has taken subsequent measures which ensure that the high risk to the rights and freedoms of Users no longer likely to materialise.

9.1.2. Users may be informed collectively.

9.2 In the case of a personal data breach, the Expi.trade shall without undue delay and where feasible, not later than 72 hours after having become aware of it, notify the personal data breach to the supervisory authority (Estonian Data protections Inspectorate), unless the personal data breach is unlikely to result in a risk to the rights and freedoms of natural persons. Where the notification to the supervisory authority is not made within 72 hours, it shall be accompanied by reasons for the delay.

10. Cookie policy.

10.1. Cookies are text files placed on your computer to collect standard Internet log information and visitor behaviour information. When you visit our website, we may collect information from you automatically through cookies or similar technology. For more information about cookies, visit <http://www.allaboutcookies.org/>.

10.2. ExPi Trade uses cookies of third parties, such as Google, to make advertisements and optimise marketing communication. Third party advertisers use the cookies stored on the device of the homepage visitor to assess the efficiency of the advertisement and personalise the content of advertisements displayed to the website visitor. Information collected by third party advertisers may include data such as geographical location data (derived from the IP address).

10.3. You can set your browser not to accept cookies, and the above website tells you how to remove cookies from your browser. However, in a few cases, some of our website features may not function as a result.

ExPi Trade uses cookies in a range of ways to improve your experience on our website, including:

- Keeping you signed in

- Understanding how you use our website
- [Add any uses your company has for cookies]

10.4 Type of cookies

10.4.1 There are a number of different types of cookies, however, Expi.trade website uses:

- **Functionality** – Our Company uses these cookies so that we recognize you on our website and remember your previously selected preferences. These could include what language you prefer and location you are in. A mix of first-party and third-party cookies are used.
- **Advertising** – Our Company uses these cookies to collect information about your visit to our website, the content you viewed, the links you followed and information about your browser, device, and your IP address. Our Company sometimes shares some limited aspects of this data with third parties for advertising purposes. We may also share online data collected through cookies with our advertising partners. This means that when you visit another website, you may be shown advertising based on your browsing patterns on our website.
- [Add any other types of cookies your company uses]

10.5 Cookie policy is available also on the Site, User may choose regarding giving his / her consent before cookies or similar technologies processing.

11. Changes to this privacy policy

11.1. Expi.trade has the discretion to update this privacy policy at any time. When we do, we will post a notification on the main page of our Site, revise the updated date at the bottom of this page and send you an email. Expi.trade encourage Users to frequently check this page for any changes to stay informed about how we are helping to protect the personal information we collect. You acknowledge and agree that it is your responsibility to review this privacy policy periodically and become aware of modifications.

12. Your acceptance of these terms.

12.1. By using this Site, you signify your acceptance of this data protection policy. If you do not agree to this policy, please do not use our Site. Your continued use of the Site following the posting of changes to this policy will be deemed your acceptance of those changes.

13. Period of data keeping.

13.1. According the law (Estonian Money Laundering and Terrorist Financing Prevention Act) User's data must be kept at least 5 years after termination of business relationship with User.

14. Right to lodge a complaint with a supervisory authority.

14.1. If User considers that his personal data contrary to the requirements of laws and regulations, he / she has a right to lodge a complaint to Supervisory Authority - Estonian Data protections Inspectorate (39 Tatari St., 10134 Tallinn +372 627 4135, info@aki.ee ; <https://www.aki.ee/en/inspectorate>). User may lodge a complaint to supervisory authority in other EU member state. Information regarding authorities in EU you can find here: (https://ec.europa.eu/justice/article-29/structure/data-protection-authorities/index_en.htm).

15. Contacting us

15.1. If you have any questions about this Privacy Policy, the practices of this site, or your dealings with this site, please contact us at: support@expi.trade.
